EDUCATION

GL Bajaj Institute of Technology & Management

2021 – 2025

B.Tech - Computer Science Engineering Artificial Intelligence - CGPA - 7.02

G.Noida, Uttar Pradesh

Higher Secondary

Percentage: 68

Central Board of Secondary Education, Bihar

2020

COURSEWORK / SKILLS

- Data Structure and Algorithms (DSA)
- Operating Systems
- Software Engineering
- JavaScript
- DBMS
- OOPS Concepts
- C++
- React Js

PROJECTS

E-Commerce Website 🔗 | [Html](#) , [CSS](#) , [JavaScript](#) ,[React](#), [Mysql](#)

2024

- Contributed to the development of product content, ensuring accurate and compelling product descriptions and images.
- Implemented features for adding, editing, and deleting products, demonstrating a keen understanding of database management using MySQL..

Spam Mail Prediction - Machine Learning 🔗 | [Python](#), [Machine Learning](#)

2023-24

- Analyzed 10000 users' dataset to detect spam emails using various Machine Learning Generative models.
- Evaluated the best technique as Naive Bayes using model selection and validated the model using ROC curves.
- Predicted the detection system accurately with an estimate of generalized error to be as small as

EXPERIENCE

Web Developer Virtual Internship

September 2023 – November 2023

- Gained a solid understanding of JavaScript, language features, and its advantages in development.
- Implemented clean and scalable code using HTML CSS and JavaScript, adhering to industry best practices and design patterns.
- Explored and implemented key architectural patterns such as API call and learned how to effectively structure Web applications

TECHNICAL SKILLS

Languages: C++, C, Python, JavaScript, SQL

Technologies/Frameworks: HTML5, CSS3, JavaScript, React.js, Tailwind

Developer Tools: VS Code, IntelliJ, Canva

Coding Platforms

- **Leetcode:** Solved **200+** Problems 🔗
- **CodeChef:** 2-star 🔗
- **Codeforces:** Max Rank 8620 🔗

CERTIFICATIONS

- Mastering Data Structure and Algorithms - Coding Ninjas 🔗
- Python - HackerRank 🔗

EXTRACURRICULAR

- Volunteer work for local organizations
- Health and Safety training
